

Suggested Camp Gear List

This list has been written to make packing for cub camps easier.

The list is only a basic list for a one or two night stay. For different camps additions may be made, but remember that cubs should be able to carry their own pack a short distance.

Also EVERYTHING gets dirty, so don't send best clothes.

Toilet gear In one bag	Soap, toothbrush and paste, comb/brush, small towel for showers
Personal First Aid Kit	Band aids, sunscreen, insect repellent ALL PRESCRIPTION Medication to be labelled and given to leaders
Eating gear	Unbreakable plate, bowl, cup, knife, fork, spoon, chux wipes (for washing-up), all in a dilly bag (see below)
<i>Dilly bag</i>	<i>A cloth bag with a long drawstring. It needs to be big enough to hold all the plates etc. Cloth so plates can dry inside when we hang them up. A large tea towel sewn together is good</i>
